****Course crew training opportunity****

If anybody is interested in learning about the different tasks that are completed on the morning of a race to make things run smoothly, this is a great time to get involved. This includes set-up of timing, rope-lines, and venue closures, transporting of equipment, and general hill movement and organization. Please contact Michael Radford at michael.radford@arcticvalley.org and expect to get started at 8:30 AM the day of the race.

U6-U10 CHAMPIONSHIPS ARCTIC VALLEY TUBING INFORMATION

For tubing, Use coupon **U10Champs** for 50% off tubing tickets for March 19. There's plenty of space in the 5pm and 6:30pm tubing sessions, but it will go quickly!

Each session is 90 minutes. Older kids (8/9 year olds) are encouraged to purchase large tubes due to limited numbers of small tubes. All participants' parents or guardians must complete a waiver (<https://waiver.smartwaiver.com/v/arcticvalleytubing/>) and purchase tickets in advance (<https://arcticvalley.org/product-category/tubing/>). **Note that ski boots are not allowed in the tubing area.**
